

Task1: Hi Anna, This Saturday, I am going to have a party. This is my birthday party. It will be started at 8p.m at 45 Pham Van Dong street. Will you come to enjoy in my birthday party? I will be happy if you bring to me a cake and some sandals. See you soon. Hoa

Task2: The problem comes dressed in an office environment that is persistent problem today .Office environment is the environment su..vay tourist office should not wear jean pants ... because according crude Kids dress looked so ungainly costumes .That's just right for going out or at home alone to go to work .That is going to work, going out is going out there are many you eat even ridiculous. 1 the office you go to work wearing short shorts or short sleeve openings navel people work together they also feel afraid and evaluation is always that you are not conscious because so we should know how to dress with reasonable working environment, people will recognize you as one educated man, one man consciously in working .They will appreciate the perspective you right from the beginning money
