

Task 1: Dear Leslie, I am very happy to receive your invitation. Of course, I will come your party and i will not forget bring gifts. Can I lead my friend? I will take to Lina who is my best friend. I will sing happy birthday to you and together playing games, eat cakes and candy, drink soda- kind of my favorite drink. I think it will be very happy. Do you think so? See you on next Saturday. Call me when you receive my email. Love, Nha

Task 2: Vietnam is a country that has many traditional festivals. Fish festivals through express the solidarity of the nation. The festival also brings the traditional characteristics of each ethnic group , region, reflecting the beauty and cultural traditions of each ethnic group , religion , humanity where every ethnic , religious , regional capital . The festival also educational ideology , ethical lifestyle , education and patriotism , love the motherland , national pride and build solidarity in the community. To address the changing trend of the festival is taking place rapidly at present , we can see the organization and management extremely messy festival , loss of cultural identity of ethnic , causing consequences for both managers and community. So it is difficult to solve problem.
