

Task1: Dear MAI, Yesterday I met at 9am MTP Son Tung Ta Hien Street. He is very handsome. His style is very similar to GD. He also sang "Em cua ngay hom qua" and "Chac ai do se ve". It in the top 100 best songs. I feel very excited, there are so many fans there. I was one of them. Do you like him like me ? HUYEN. Task2: It's wrong. According to my opinion, we have many ways to communicate. Phone calls are not the only way of communication and the best. There are many ways to communicate: face to face, hand write... Society is increasingly developing more and more modern technology, we can communicate with each other via email, Facebook, Viber ... Mobile phones help people communicate with each other effectively and easily, but also to communicate over the phone has limitations, such as: do not see the communicator should not capture their emotions, electromagnetic waves influential voice to the brain is not good ... Depending on one's perspective, select for you the best way to communicate!
