

Task 1 Hi Mike, Would you like to go walking with me next Friday? We going to go walking on Thu Le park. We will bring some food and drink as oranges juice and snacks. I will happy if you can go. Faithfully, Ly. Task 2 I don't think travelling is waste of time and money because of several reasons. Firstly, travelling bring me the peace and comfotable, which is beneficial to my healthy. Secondly, thank to travelling, i can know about many famous buildings. Example,Opera House,Great Pyramid, Forbidden City, etc. More than, travelling provides opportunities for us to share our happiness with our friends and family. When we travel with our friends and family, we create memories that would last a lifetime. It is indeed a joyful thing to share the experience of a special trip with those we love.You can find out what benefit traveling brings to you.
