

task 1 Hi , Paul . I will visit you on Saturday . I will visit you in the morning , if you have a spare we 'll go out on Saturday . We'll go to the movies , go eat together . By was so long we have not had the opportunity to meet. See you Best friend, Chinh task 2 Well, to make a film or its author has spent a lot of effort with the technical stages to make a movie. Therefore, special effects are very important to the author. "Special Effects Best" became the official categories, although occasionally Academy honors select a single movie instead of two or three films nominated for one year. From 1939 to 1963, this award is given to both the visual effects and sound effects of the movie, so it is often awarded to two or more people, although there are only five or visual effects or animations sound was named danh.Tu 1964, this award is given to only the visual effects, and years later the name of this category was changed to "special visual effects best".
