

task2 : nowsaday , more and more people sopping online thanks to internet and many people thing " Shopping online is better than going into shops." , i think , it has both advantages and disavantages. Shopping online has many advantages . Frist , one of the most convincing reasons shopping online is better is that I can stay in my home but i can buy any i want by using internet , i dont need go there and i know how much they are in advance .you can Shop online and park yourself on the sofa with a cup of tea.it is really great . secondly, you will not worry about where the store is and how to get there , if you buy online , the shipper will take them to you . besides the advantages , it also have some disavantages. You will not sure the things which you have bought look like the picture in the internet . You will not know exactly what they are made from In addition , you may be defrauded your money because , most exchanges are online. Shopping online is good and bad so you shoud be a inteligent customer . task 1 : from : Ngoc197@gmail.com to : Sam2345@gmail.com Dears Sam, i am really happy when i recieve your letter because i have not talked with you for along .time , You said you had just new CD , is it great ? what name is CD ? . i also buy a new CD of Westlife band when i go to the store with my brother in the morning , they are my idol and i love them so much. i usully listen video of Westlife when i have freetime . All songs of the them are great such as My loves , season in the sun their voice are beautiful and they are also handsome boys which are the resons why i like them .How have you been lately ? , everthing is fine ? if you have any problems or anything want to share , let's contact me , i am looking forward to hearing from you .
