

task 1: Dear Jan, I want to meet you at the cinema tomorrow, at 7pm. Having many film now, and I have two tickets of " Me before you". I want to watch it wiht you. I think you will like it. It's content is about romantic love of Will and Lousia. Lousia come to help Will when he hopeless after an accident. And after many times, they fall in love together. It's the wonderful story about love, and I sure you will like it. I hope you will meet me at cinema. I looking forward to you , Linh task 2: With eluvotion of mordern solution, many children contact with television and technology products very soon. Now, many people watch television all the weekend. It's not good for you. First, it not good for your health. When we sit all day, your body not active, will very aches. the second, it's not good for your eyes. It will make your eyes aches, too, and then, you will myopic. Of course , for a long time, you just myopic. But I know nobody want to wear a glasses. It's very elaboration. On the weekend, we can do manythings, not watch television at home. For example, we can go out, visit your friend or grandparents. Or, you can go to the market, buy some food and cook a meal for your family. Moreover, you can help your mom with housework, have a picnic, make some volunteer activities or many others. I sure it will interesting more than lie at home and watch TV. You will do anythings you want, and you will feel very good after it. It good for you, and your mon like it or than you watch TV all day at home. Try it, and you will see that I true, ok?
