

Task 1: Dear Paul, I'm very happy to meet you on Saturday. Actually, I want to drive my motorbike to get your house but I think it's better if I catch the bus because it is very hot these days. I'll get the bus 07 at 7 a.m, s? ít m?y take me about 1 hour to get your house. I'm very interested in your farm, so would you mind taking me there? I would like to do work on farm and feed pigs. I also swim in the river near your village, so shall we go together? I'm looking forward to hearing from you soon.
Yours, Yen Nhi
