

Task 1 One Direction (or 1-D) is a British boy band consisting of members-Ireland: Niall Horan, Liam Payne, Zayn Malik, Harry Styles and Louis Tomlinson. They signed to Simon Cowell's record label Syco Records after being formed and won third place in the competition The X Factor UK Season 7 (2010). Later, the group was signed to Columbia Records. Go to the international success by the power of social media, two of the group's album Up All Night and Take Me Home topped the charts of most countries, with the hit song "What Makes You Beautiful" and "Live While We're Young". One Direction was conceived as emerging bands shine in the male group, and the typical face of "British wave" in the US. Group has sold 8 million albums and 14 million singles worldwide under the group's management company, Modest! Management. [1] These achievements that One Direction achieved two BRIT Award and three MTV Video Music Award. According to Nick Gatfield, president and CEO of Sony Music Entertainment, the group has collected about 50 million US dollars in June 2012. One Direction's "Best New Artist of 2012" by lifting Task 2 1. Save Time For those busy no time to shop, then this is considered to be the biggest advantage of online shopping services. Instead, you wander for hours to the shopping center. Simply, you can sit at home and choose their favorite items by clicking the mouse. It only takes 10 to 25 minutes to find the items you need and then staff will promptly ship your order in your person 2. Flexibility when shopping A major advantage of shopping online is the flexibility of procurement. Because online stores do not have holidays, closed or any other problems. You can also take the initiative on shopping time. Whenever, wherever, though 1 pm or 12 pm, you can still surf the web and order, not dependent on opening hours of the shopping center.
