

Task 1: When I met Jan in cinemas Jan I would run to greet and act surprised when we met here . I want to see the film "THE conjuring 2 " Because this film or just afraid and just funny . Task 2: Watch TV all weekend is not good . Weekend is the day that we relax . But we should also look to see more k . Instead, we can choose a sport to entertain but also help us improve health . When we watch TV will not be good for the eyes and lead to some eye diseases . We can organize a short day trip . In short, we are watching TV to news updates , but do not see much .
