

task 2: Mid- autumn festival is one of the popular celebration in the Viet Nam. Every year, it's on the 15th day of the 8th lunar month . it's organized so that people celebrate the largest full moon in the year . In that festival, children wear masks, parade on the street have parties with special cake and lots of fruits . I feel happy when taking park in it makes me excited and help me remember about my childish. task 1: Dear Leslie. i'm very happy to receive an invitation to your party. i will arrange time and to attend that party. i wish you would get to the end of my friend and hope you agree. And when will bring gifts and greetings for your enclosed. Thanks you so much. Love Ng?c
