

Task 1 : I am very sorry for not being able to go swimming with friends . That day I had to take the exam every module . I can not give this exam . It's extremely important . Romance people in the early months later. When implementation is complete and that I have the free time to meet and swim with you . Please sympathy with me . Task 2 : Friends are very important to me . It's such an integral part of my life . Friendship is a great emotion , spiritual that everyone should have . With my friends really important. They are always beside me difficult times and share the joy with me . Nobody that live without friendship is all. Who does not lonely old friendships will be arising realms and autism . The power of friendship enormous . It makes things seem impossible become possible . Great friendships too . And I have amazing friends around. That would be the people I cherish and will never lose .
