

Task 1. Dear Sunny, Thanks for inviting me to go swimming tomorrow evening. I think it will be so fun but I'm so sorry, I cant go with you because My father and I will visit our grandparents in my hometown. Their health is not good right now so we need to take care of them more. I hope you will sympathize with me. I will come back to HN on next monday so we can go swimming together. Love, Task 2 We all know that Friends are important in our life. There are so many reasons to make friends become special and important. We can share the secret with each other. Beside that we can turn up with the bad appearances but still feel comfort. We can share averything with our best friend and sure taht no one can understand us well like them. Truly friend will always by your side when you get in trouble, when you happy or upset. My best
