

Task 1: Because of beautiful lake we are going to walking at Hoan Kiem lake. That day i'm going to wear red dress with sport shoes. I think you should wear yellow shirt and blue jeans with wear black hat i gave you. I am going to bring food and a lot of fruit. Can you bring water and a rug?. At 8 a.m on next friday i come your home. Then we will go there together and we are going to start walking. I hope that a date wil be interesting and rewarding. Task 2: I thing " travelling is waste of time and money" is a misconception. Because i have traveled a lot of places, i feel it very interesting. Travellings help us much beauti, its people and help us relax in the holidays. Further, i think travel also a life experience and chance closer to family with friends.
