

Task 2: In my opinion, Theme parks are the best place for teenagers to play nowadays . First of all , Theme parks are wonderful place for teenagers to play more games . Those parks are each theme so they can play games concern about theme and they develop their capability a comfortable way . Secondly , theme parks are the place teenagers chat and make friends . For example , I often go to the park to chat with my friends . Thirdly , the parks have large area so teenagers usually go to learn . They can learn alone or learn in group (a group have about 3 to 5 people) . I often learn in park and I like this . Moreover , those parks have fresh air so they attract many teenagers and old people go to enjoy this air . Everybody go to there to do exercises to improve their health . In sum up , theme parks are interesting and wonderful for teenagers
