

Dear Paul How are you ? I hope you are doing well. Thank again for invited me, I'd love to . I decided to pick vehicles are motorcycles. Can we meet on the 16th or 17th? . I was thinking of going to the cinema on Saturday. Let's meet at the theatre at 6:30 PM. I find the Kingsman very interesting! The best thing about this films is the special effects. It is a great and wonderful movie. If you do not want to loose the best time with the interesting action, fantastic special effects you have to watch Kingsman. What is your opinion on this? About me I really enjoy it. See you soon. Bye Tra
