

Task 1: Dear Alex. I am very glad to hear from you, and I am ready to meet you when you come to my country next month. Next month in my country is the summer, you may not know this, but I need to let you know that summer is very hot in Vietnam. So, please bring suitable clothing for summer weather as shirts, shorts, T-shirts and some clothes for swimming. It would be great if you will swimming in the sea in the summer of Vietnam.

Task 2: Many people think that to have a successful movie, just with the famous actor is enough. I do not deny absolutely that view, but I think we need a much more important factors for a successful movie. Firstly, it is true that we need a lot of famous actors for a successful film to attract significant audiences from the fans of these actors. For example, the famous movie with seven sections called "fast and furious 1 to 7" has invited a lot of famous actors like Jackson Statham, Paul Walker, Gal Gadot and Vin Diesel. That led to the success of this film over the world. However, only the popular actors are not enough. We not only need a good movie script but also skill system, sound, good image to have a successful movie. Also, we can not mention the actor's costume, the hair stylist and makeup. Generally, in order to have a successful movie, we need a good film crew with an adequate system of good techniques and good actors.
