

Task Dear Mai I write this letter to tell you that I will have a date tomorrow evening so I can't go swimming with you. I'm so sorry about that. Can we go out together on another day? I think going to the cinema is not a bad choice. The film "Captain America - The civil war" is quite popular these day and the CGV cinema has a discount on each Wednesday. Do you want to see it on the next Wednesday? I look forward to hearing from you Love, Loan Task 2: In my opinion, friendship is one of the most precious gifts of life. A person who has true friends is so lucky. It makes life better and sweeter. It can lead us to succes or to doom. It all depends on how we choose our friend. True friendship is a feeling of love, sharing and caring. It is about someone understands you and appreciate you as you are without any exaggeration, flattery and pretension. It give you a feeling that you are not a faceless in the crowd. True friend knows no boundaries or demarcations of caste, creed, race and sex. I have a friend like that. Her name is Ngan Ha. We were classmate in the secondary school and be each other's best friend till no. No matter who am I and what I did, she always stands by me and support me unconditionally. When I do mistake, she is the one who encourage and forgive me. I really thank her for being my my side. For me, friendship is both good and necessary what human cannot live without.
