

Task 1: Dear Alex, It's nice of you to come. Huh, the swimming pool was great, quite deep though. You go across the Sai bridge then take a left, it's about 300m from the bridge. The best time to go is probably 4.30pm when the sun has come down. Love Trang. Task 2: I live in a big family myself. We stick together and we won't let outsiders bully us.
