

Task 1: Dear Eric, I am so happy to enjoy the meal with you tonight. I would like to eat meat and tomatoes. I will come soon about 7 p.m. Best wishes, Oanh Task 2: In my opinion, it is bad to keep animals in zoos. Because: Firstly, animals must be lived in mountain or forest, but instead of living there, they must live in zoo. Zoo is too small to live in. Secondly, people who go to the zoo usually make animals worry. Finally, people usually hunt animals to take to the zoo, destroy their life. Therefore, I don't agree keeping animals in zoos!
