

Task 1: Hi Alex I'm glad to hear that you are going to visit my country next month. The weather is so hot. If you come, you will bring sunscreen, umbrella, and some cool clothes: shorts, two wire coat, ... I want to take you to travel around my country. Love Huong.

Task 2: On my opinion, a successful film not only needs famous actors. The film be created by many elements, only actor is not enough. Undeniable actor is very important to a good movie, but if the script not good, the film does not be successful.
