

Task 1 Dear Thao, I am writing to you to talking about our walk next Friday. I suggest going walking at Yen So Park. We can enjoy the fresh air here. We should wear comfortable clothes like T-shirt, shorts and sport shoes. Besides, you should bring along a bottle of water or juice in case you are thirsty. A hat will be a good choice because it might be sunny next Friday. Write to me as soon as you receive this email. I am looking forward to seeing you next Friday. Love, Thanh
