

Task 1: Dear Lily! It was a long time we haven't met and I miss you so much. I write this email to told you this amazing thing. Last week, I went shopping at Trang Tien Plaza, and you wouldn't imagine that who I met. That was Ms My Tam. It's so fantastic. She is my favourite singer. She has a offline fan meeting there. You know that nomally, we can only see her on TV. I felt so happy, it was the first time I has met her. She is so beautiful and friendly. I heard that she would have another fan meeting in Ha Noi next month. I wish you could go there with me. See you soon!

Task 2: There are many opinion that making phone calls is the best way of communicating. But in my opinion, communication by phone isn't the best way. The best way is face to face communicating. Making phone calls is only the best way of communicating when you can't meet each other.
