

Task 1: Dear, John Hi, I am Quynh. We are going to go walking together next Friday. Where we can go walking? Do you like walking Sword Lake, Lake West, or Road Youth....There are many places we can go. I will introduce HaNoi to you - where I was born and raised, with a lot of beautiful scenery. So, What we are going to wear? I am very excited. I am going to wear a dress blue. And you? Wear something that you really comfortable, because the weather is so hot in HaNoi now. You should an umbrella or hat, and be carefull to apply sunscreen. You also should cary water to drink when you feel thirsty. See you again. Love Task 2 I am person who likes to travel. I like the feeling of sightseeing, watching the scenery, get acquainted with many people, learned a lot of knowledge about geography and history, useful for their own learning. That is reason for travelling is not waste of time and money I went to many places all over Vietnam - with many beautiful places. My first visit to Nha Trang, the coastal city, was three years ago. It was a pleasant and memorable trip. Nha trang, the capital of Khanh Hoa province, has one of the most popular municipal beaches in all of Viet nam. In Nha Trang, nature beauties are so tempting. Waves crashing onto the cliffs, the soft sigh of the sea breeze, clean white sands and turquoise waters, it all makes for a stunning landscape. On my visit to Nha Trang, I used to get up early each morning to stroll along the beach - a chance to breath in the fresh sea air and enjoy the sunrise across the water. One attraction for me three years ago and still it is the collection of small offshore islands, that is Hon Tre where is the largest of the islands. It is sad to see you all day at home, busy with jobs that do not go out on the number of outlets accept holiday. Why do not you try to go traveling?. It would be very amusing. Travelling is not waste of time and money.
