

dear Eric, I'm happying because you invite me to your home.I like to eat fish and potatoes for dinner . and about 7p.m i'll come.I'm so excited . See you again. Love  
A Task 2 My opinion on this is fales. Keep animals in zoos not only protect but also help people with animals to be friendly,kind.morever chird can see them, pick them eat, play with them.....It's not bad. And we can build some the zoos for animals so great.
