

Task 1: hi Jan, I'm glad to be going to the movies. we meet tomorrow evening at 5 pm in the cinema. Don't be late. I want to see the movie name is finding Dory. The film about the friendly-but-forgetful blue tang fish reunites with her loved ones, and everyone learns a few things about the real meaning of family along the way. I think the film very interesting and worth seeing. I'm so excited. See you soon. Love you
