

Task 2 In my opinion, those in office should wear jeans and T-shirts for wearing it over and polite as the gown, other clothing. Moreover jeans with shirt in line with all types of people and humanoid. In the eyes of the Vietnam jeans, T-shirts are the clothes simple, easy to wear but discreet, luxury, too. People who work in the office in jeans and T-shirts are the most beautiful that it fits all whether high or low figure, even though are nice and fat that reveal the bad out. So Jeans, T-shirt suitable for office workers.
