

Task 1: Dear Linh, How are you? I am really happy when I get a letter from you. And now, I would like to tell you about a visit to a zoo. There were many animals in a zoo, such as: elephant, monkey, tiger, bird.... I was very interested in looking the animals. They ate food that people thrown and went round. A zoo was Thu Le park where parents gave children to play and taught them how to love and protect animals. I went a zoo with my friend. I took part in many games and activities. Yours sincerely, Thinh

Task 2: Theme parks are the best place for teenagers to play nowadays. Park are the source of natural where we can play and entertain. Parks are including trees, gardens, water...Parks are peaceful, quite and suitable for teenagers. They can play many games and participate in activities. It makes teenagers feel comfortable and healthy. They know how to love and protect natural resources.
