

Task 1: Ha Noi 26/06/2016 Dear Ha, I have received your letter just now. In your letter, you have wanted to know about a visit to a zoo. Now I am writing you about it. Last month I along with my parents went to Thu Le Zoo. Zoo city center about 5 km west corner Kim Ma Street, Cau Giay District, Bui Street, Dao Tan and Nguyen Van Ngoc Street, adjacent to the Hanoi Daewoo Hotel. We went there by bus. Firstly, we bought tickets to enter inside. We saw many wild animals and birds. When we went to the cages of monkey, they started chattering and jumping from one bar to another. Then we went to the cage of Tiger. It was walking from one place to another inside the cage. There we also saw snakes, crocodiles, peacocks, deer, cows, elephants, hares, birds etc. We spent much time to go around. So we became tired; but we enjoyed the visit to the zoo very much. The day will always remain fresh in my memory. It's all for today. Don't forget to write me. Your loving friend Hang.

Task 2: Theme parks are the best place for teenagers to play nowadays. Parks are protected areas of natural resources and growing their own, a place of recreation, mass entertainment, cultural activities, enjoy. Nowadays, with the development of hi-tech devices and their appearances everywhere, in my opinion, the teenagers tend to spend time playing online games and mobile games more than going outside to enjoy fresh atmosphere and taking part in outdoor activities. Therefore, theme park is not the best choices but one of choices. Now back in the US, I and my friends went on a short picnic to an amusement park. We reached there at about 10a.m. We were six of us. Even though we had reached on time there was a serpentine queue for the tickets. I took the entrance ticket. The first ride we took was the Fury Wheel. It was really big, all of us were yelling and crying! After that we went on a Pony Ride which calmed everyone. Then there was the big Octopus ride, the individual seats revolved on its own and at the same time each hand of the octopus went in a circular motion. We went for two more rides The Ghost House and the Roller Coaster, which also took a toll of us. The dashing car was fun to be in! We dashed each other's car. Then we decided to have lunch. Each of us had brought some food to eat like sandwiches, fruit juices, pastas etc. Our mothers took care that we don't eat food from outside. After that were the rides which we all were waiting for-the water rides. We went in all of them without any hesitation. The Wave Pool and the Rain Dance were my favourites. At last, we saw a 5D movie. This movie took us through broken bridges, steep mountains, dilapidated houses etc. Finally, it was evening and time to go. It was such an enjoyable and memorable day. All of us had met after a long time. We were all sad while returning home.
