

Task 1 Dear Tom I'm Bella. I get trouble and need your helps. Today, I have an important commitment so I cannot be at the railway station when my father arrives there. But it would be cool if you're going to meet him for me. My father's name is John. He will arrive the railway station at 10:00 a.m. He is going to wear a yellow T-shirt, jeans and black glasses. He has black hair and very tall. You will recognize him immediately. If you can't see him, you can try calling him with number 0967 677 354. Thanks for your help! Love, Tom. Bella

Task 2 I love looking smart, but casual. I like dress according to my mood. In the winter months, i mostly wear darker clothes that are a bit brighter. I never really wear skirts, i prefer trousers but i love dresses ! I never wear heels as I can't walk in them, i love my flats, boots and trainers! I wear a bit of makeup most days, its only takes me a minute to achieve my makeup look. I mostly wear my hair down, as i look horrible with my hair up. I love searching for vintage items, one of a kind pieces. I don't wear much jewellery, never wear rings, but i like wearing necklaces. My favourite items in my wardrobe at the moment has to be my lovely black patterned dress with bow and my cuddly cream knit cardigan.
