

Task 1: Dear Ally, It's a pity you couldn't come to my 18th birthday party. We had a lot of fun and I got many interesting presents. All of my family members and our close friends were there. They sang the Happy birthday song, which made me very happy. I also blew up the candles and made a wish. We had a wonderful party with birthday cake, cookies, sweets and fruits and sang some songs to cheer up the atmosphere. I received your present, my most favorite one, the latest volume of "Detective Conan". Thanks a lot, Ally. My parents and sister bought me a beautiful dress and a pair of shoes. I also got a lot of cute souvenirs from our friends. Next time when you have free time, please come to my house. I'll show you the presents. Looking forward to seeing you, Best regards, Hue

Task 2: In my opinion, an ideal house not only needs to be large, but also be convenient, beautiful and tidy. The house is where we live for our entire lives, so it should have all the things we need for daily life. It should have bedrooms, bathrooms, dining room, kitchen, toilets, living room, room for studying and playing. The house needs to have all the electric equipment such as television, fans, refrigerator, washing machine, air conditioner, kitchen appliances... The house also needs to be neat and tidy, so that we can find what we need easily. It should be clean to avoid contamination due to bacteria and mold. Also, we should decorate the house nicely, so that everyone will feel comfortable when living in the house.
