Task 1: Answer: Dear Hoa, Tomorrow morning at nine o'clock, my father will arrive at Ha Noi railway station. But unluckily, i cannot be at the railway station when my father arrives there. So I will be glad if you if you pick up him for me. He is 50 years old. And he is taller than me so much and fat. He is wearing glasses and he hasn't got a lot of hair on his head. He always wear a dark shirt. Thanks, Trang.

Task 2: I love fashion so much because I always believe fashion has magical powers. It helps me feel more self-confident, sexier and make an impression with other people.However, any newest clothing aren't put on my body, I don't want become a fashion victim and spend too much money, much times for clothing. I choose casual style for myself. I am a girl so I have many type of fashion in clothing to choice such as dress, skirt, jeans, ...Many people say that girls should wear skirts which look more feminine. Skirts are the main costume of many girls. But It's not my normal style. I like simple clothes. I always wear t-shirt with jeans and . It's very active and youthful. It's make me confident in any situation. I can act comfortably. I can wear it in many circumstances: going to school, going out with friends, ... Sometimes I also wear a shirt on special occasion. Casual clothes easy to wear and suitable to many stature. In general, elegent, comfortable clothes are always make me self-confident. Of all my favorite, I like wearing T-shirt and jeans most like almost all of students. I think, personally, this is a popular style which brings comfortable feeling to wearer. Because of having many activities which I take part in, so I choose T-shirt and jeans above all others. Furthermore, it is not only beautiful but also sporty when I dress it; it is possible that I am quite like man. Also, I catch my eyes to other fashions, too at least I still love my favorite fashion most such as dresses, blouses, and so on. Recently, I have changed my clothes fashion; I turn to love wearing dresses more because of its gracefulness. Consider office worker, while seeing them wearing formal skirt, I find they are so wonderful. They give others the creeps. In short, one person is match with a certain fashion clothes so it create variety of fashion. I hope that the fashion clothes will be develop sharply.
